

This draft re my mother's family background was compiled by genealogist and family friend, Vicky Sawchuk, Winnipeg, 2018. For the most part, I have left this unedited except for current people/relatives, dates, and events that I know to be true and/or used a McCullough family tree image compiled by someone in the McCullough group in the late 1970s. Any census sources are those used by Vicky.

Underlined or bracketed names are preferred/customary first-names. Seems that from my mother's side of the family, we are of Irish (McCullough) and Scottish (McQuibban) descent...
